Semi-Annual Report to the President of the Board of Education Bullying, Intimidation, Harassment, Sexual Harassment

Number of Incidents - 2nd Semester (01/03/2018-05/24/2018):

- 12 (AES=1, DES=0, CES=2, BHMS=6, CHS=3)

It is the mission of the Carrollton Exempted Village School District to provide "A Quality Education for All."

At Carrollton Exempted Village Schools, we are dedicated to ensuring the health, safety, and welfare of our students. We expect teachers and students to treat each other with respect and dignity.

In addition, our staff is always available to speak with students, parents, and/or guardians regarding any bullying/harassment/intimidation case. You do not have to be the bully or the victim to report an incident. "Upstanders" have a responsibility to take a stand against bullying.

Confidentiality: We are committed to a level of confidentiality and will treat these cases according to the confidentiality standards we adhere to in face-to-face meetings in the school office. On a very important note, as a professional working with students, Carrollton employees are required by Ohio Revised Code to report when someone tells them that they want to harm themselves, intend to harm others, or that someone is harming them. No information will be shared without the appropriate parties being notified.

Ohio Revised Code and the Carrollton Board of Education policy on harassment, intimidation, and bullying requires that the district semi-annually report a summary of all reported incidents of this nature on this website.
