SCHOOL – PARENT COMPACT

Your child attends a school that offers school-wide Title One services. Hence, we are required by law, to share our **SCHOOL-PARENT COMPACT** with you. The purpose of the **SCHOOL-PARENT COMPACT** found in Section 1118 of Public Law 103-382, is to build and foster the development of a school-parent partnership to help all children achieve the state's high standards. **Responsibility for improved student achievement will be shared by parents, the child, and teachers.**

It is the school's responsibility to provide high quality curriculum and instruction in a supportive and effective environment that enables each child to meet the state's student performance standards.

Each parent is responsible for supporting their child's learning, including monitoring attendance, homework completion, and television watching; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their child and the positive use of extracurricular time.

Each student is responsible for improving his/her achievement by attending school regularly, completing homework, preparing for class, respecting and cooperating with adults and other students, listening in class, participating in class, and supporting and abiding by all school rules and conduct.

Each teacher is responsible for providing high quality teaching that enables the child to meet state performance standards; notifying parents of changes affecting attendance, achievement, grades or behavior; increasing communication with parents; participating in conferences; reporting children's progress; and being available to parents.
