And

**FINAL FORMS**

# TOO SICK FOR SCHOOL

- 1) **Communicable Diseases:** pink eye, strep throat, cold viruses, influenza, COVID-19 etc. (COVID-19 has a separate protocol at this time).
- 2) **Temperature-** fever free for 24 hrs. Without medication
- 3) **Diarrhea & vomiting**
- 4) **Rashes** such as ring worm, impetigo, staph infections
- 5) **Lice-** nit free policy
- 6) **Have a plan for sick days:** Allow child time to recover.
- 7) **Letters** notifying parents of illnesses in their classroom.

# RECOMMENDATIONS

- 1) Practice good hygiene with your child.
- 2) Teach them how and when to wash their hands.
- 3) Wash hands as you say the ABC's.
- 4) Teach them how to cough and sneeze. ( Cover with arm)
- 5) Teach them how to blow their nose into a kleenex.
- 6) Purchase a thermometer.
- 7) Early bedtime on school nights and no computer, tv, video games or electronics at least 1 hr before bedtime.
- 8) Always eat breakfast either at home or at school.

THANK YOU AND HAVE A  
FUN FILLED SUMMER

SEE  
YOU

IN  
AUGUST
