

CARROLLTON EXEMPTED
VILLAGE SCHOOL DISTRICT

2022-2023 School Year

Dear Carrollton Schools Community,

I am proud and excited for the future of this great district! Below is a brief update of what has been happening in our great district. CEVSD has completed numerous projects the past few years including: (1) new CHS/CMS facility; (2) Fieldhouse/Fitness room/Wrestling facilities/batting cages/locker rooms/gymnasium, etc.; and; (3) Stadium renovations and much more. CEVSD continues to be involved in many new construction projects that will positively impact the academic and non-academic needs of our students. Some of the projects that are currently in the process of being completed include: (1) New Pre/ K thru 4 elementary building; (2) Outdoor classroom for learning and events; and (3) School-based health clinic. These initiatives support the current CEVSD's mission and vision statements.

Mission: During the 2022-2023 school year, CEVSD will continue to implement our vision and mission of the district. "Each child, our future. Students are challenged, prepared and empowered for success in a global society".

Vision: "To inspire every student with a passion for learning, personal integrity, civic responsibility and a commitment to excellence".

Lastly, CEVSD will work diligently daily to educate the whole child, which focuses on student safety, student wellness, academics, extracurricular opportunities, and social-emotional growth. Students are our first priority!

Go Warriors!

Dr. David Quattrochi, Superintendent

205 Scio Road S.W.
Carrollton, Ohio 44615
P: (330) 627-2181 F: (330) 627-5210
