August 2, 2021

Dear Carrollton School Community,

We hope you are all experiencing a safe and enjoyable summer. At Carrollton Schools, we take great pride in what our community has accomplished together for our children throughout the COVID-19 Pandemic. We appreciate the support of parents, staff and community. We are very excited for the 2021-2022 school year.

Our learning model for the 2021-2022 school year will be **traditional in-person learning**. We strongly believe this learning model is the most effective and offers students the greatest opportunity to grow academically, socially and emotionally.

As of today, face coverings will be **optional** for students and staff in all Carrollton School buildings, grounds, and school transportation. Individuals are welcome to wear face coverings if they choose to do so. We will continue to have heightened school sanitization, frequent hand sanitization and maximized air filtration and flow in our classrooms.

The Carrollton Exempted Village School District will continue to work closely with the Carroll County Health Department and may change this policy at any time during the school year based on local data and expert guidance. Any changes will be communicated through our district communication platforms.

Please follow us on Facebook, our school website and frequently check your email for additional updates and school information. If you have any questions, do not hesitate to contact school administration via email or phone call. **The first day of school for students will be August 19th.**

Thank you, we look forward to a great school year!

Go Warriors!

Dr. David Quattrochi, Superintendent
